

JCC STUDY GUIDE

Letter from the Secretary General

Most distinguished participants and esteem guest,

It is an extreme honor to welcome everyone of you in this particularly excellent event. I would like to start my letter with the history of this amazing club which made this conference come true.

Yucel Boru Fen Lisesi Model United Nations Club is a formation that has been established in 2019, containing the best ambassadors and greatest brains of its time. I, as the Secretary General of YBFLMUN'26 am proud of being the 7th president of this extraordinary club which has been on my side through these 3 years.

Our journey is not just a travel which is being made continuously in time but an adventure giving everyone the consciousness that they need. As the Secretary General of this exquisite event I, personally, believe this occasion will be one of the best of its kind. To be more specific I know this conference will change the life of those who attended. With the immense help of our organization team and fabulous efforts of our academy team we hope you all to have a wonderful experience, have a chance to make new friendships that will last for a long time and, who knows, maybe have an opportunity to find the true love through this collaboration.

To any delegate, any attendant and any person who considers MUN as a union just about debates or diplomatics, we would like to inform you before your ideas change. MUN is a political atmosphere yes, but every step you take in your life is politic. Thus politics can not be simplified to an ideology, politics is your life, so is MUN. With this opportunity you will have the time and the chance to express your opinions, your views and most importantly yourself.

At YBFLMUN'26 delegates will be able to express themselves without any concern. Even though these three days will pass quickly everyone will remember the memories for a quite while. We assure you, in our conference which will be held between 1st and the 3rd of July, every single person on every single corner of the world is more than welcome to join us in this extreme function. Let us come together under the name of YBFLMUN'26. Let us be united under the name of UN. And I am pleased to say, welcome, to the home you never knew you had, everyone.

HİLAL YILDIRIM

SECRETARY-GENERAL OF YBFLMUN'

Local Fauna:

Ikrans: Ikrans are flying creatures from planet Pandora. They are large powerful aerial predators. They are bounded by a neural connection with the Na'vi via the kuru. They are highly territorial

Toruk: Toruk is the nickname of the largest flying predator in Pandora. He/She who rides it is labelled as Toruk Makto and is accepted to be a great warrior. Toruk is highly aggressive and is one of the strongest creatures in Pandora.

Pa'li: The Pa'li are 6 legged creatures that resemble horses. They can be utilised for covering great distances over land on foot. They are easier to tame than most animals.

Skimwings: Skimwings are fast marine predators mostly utilised by the metkayina clan. They are agile water creatures which can fly a short distance.

Tulkun: Tulkuns are extremely large whale-like creatures which have an extremely valuable age reversing substance inside of them. They are highly intelligent creatures having cultures and traditions. Fully mature ones can take down massive RDA ships by themselves. They are ruled by tradition and matriarchs.

Clans/Tribes:

Omatikaya Tribe:

The Omatikaya Tribe used to be ruled by Neytiri's father which died thus handing it over to Jake Sully. He then handed the rule over to someone else when he left the tribe to seek refuge in another tribe. The Omatikaya are the people of the forest having a good relationship with Pa'li and Ikrans. A previous Toruk Makto who is also an ancestor of Neytiri belonged to the Omatikaya Tribe.

Metkayina Tribe:

The Metkayine Tribe are the people of the water, they are evolved to have agile bodies in water and they utilize the surrounding fauna like Tulkuns and Skimwings. The Metkayina welcomed the Sully's when they sought refuge. The tribe's leaders are Tonowari and Ronal.

The Mangwan/Ash Tribe:

The Mangwan Tribe is a savage tribe that raids other tribes and trade ships. The Mangwan are ruled by a fierce Tsa'ik called Varang. People of the Mangwan Tribe do not believe in Eywa as Eywa did not help them when they needed it the most. They perform frequent rituals involving flames and ash.

JAKE SULLY

Jake Sully is the main protagonist in the Avatar movie franchise. He is a marine that gets injured making him unable to walk. He turns out to be a DNA match to his deceased brother that was in the Avatar program which is a program designed to create lifeforms similar to the Native Na'vi folk of planet Pandora.

After being an avatar he meets Neytiri, the daughter of a nearby clan's chief. While working for RDA he also learns and understands the nature and the culture of the Na'vi and Pandora.

Jake Sully and Neytiri mate which leads to outrage in the clan which is followed directly by human invasion of the forest. However he tames a legendary beast called Toruk thus claims the title Toruk Makto(Rider of Toruk) and earns the respect and praise of the clan. In his leadership the clan goes to war with humans and wins via force and help of the local fauna. However while in avatar form he gets dragged out of his pod by Miles Quaritch. While on the verge of death he gets saved by Neytiri and his consciousness gets permanently transferred to his avatar body via a ritual.

After several years pass Jake Sully is settled down with 5 kids 3 biological and 2 adopted, from oldest to youngest Spider, who is adopted and is the biological son of Miles Quaritch, Neteyam, Kiri who is adopted and was born through parthonegenesis via the late Dr Grace's avatar, Lo'ak, and Tuk. However war is on the horizon as new RDA ships are bound to track him and his family down.

NEYTIRI

Neytiri is the daughter of the Chief of the

Omatikaya clan. She is a fierce warrior and has had run-ins with RDA researchers like Dr Grace when she was young. She also lost her older sister during an RDA attack when she was younger. Neytiri saves Jake Sully from certain death and then after some events shows him the way of the Na'vi.

Over time Neytiri falls in love with Jake Sully and they mate. This enrages her betrothed mate Tsu'tey and he attacks Jake. Shortly after Neytiri's clan gets attacked by the humans and the RDA which results in the current chief, which is her father, to tragically die. This breaks her, leading her to denounce Jake Sully. However after Jake Sully tames Toruk, and becomes Toruk Makto she is impressed by his skills and his will to fight for the Omatikaya and the Na'vi and forgives him. During the war she shows impressive combat feats and is a huge asset for the

Na'vi. Unfortunately during the war Tsu'tey dies which was a valuable companion to her.

Several years later Neytiri is settled down with Jake Sully. With 5 children 3 biological and 2 adopted. Neytiri loves all her children equally except for Spider because he is the child of Miles Quaritch and is human.

LO'AK

Lo'ak is one of the biological children of Jake Sully and Neytiri. He is often overshadowed by his older brother Neteyam and is the victim of the lectures from his father. Lo'ak is a warrior like his brother, mother, and father

however often gets in trouble for not listening to his father.

After the Sully's move to the Metkayina tribe he is also faced with trouble and discrimination. Although he has a close and intimate relationship with the chief of the Metkayina Tribe's daughter Tsireya.

Lo'ak also has a close relationship with a Tulkun called Payakan who is also an outcast from his tribe because he does not follow the Tulkun ways.

SPIDER

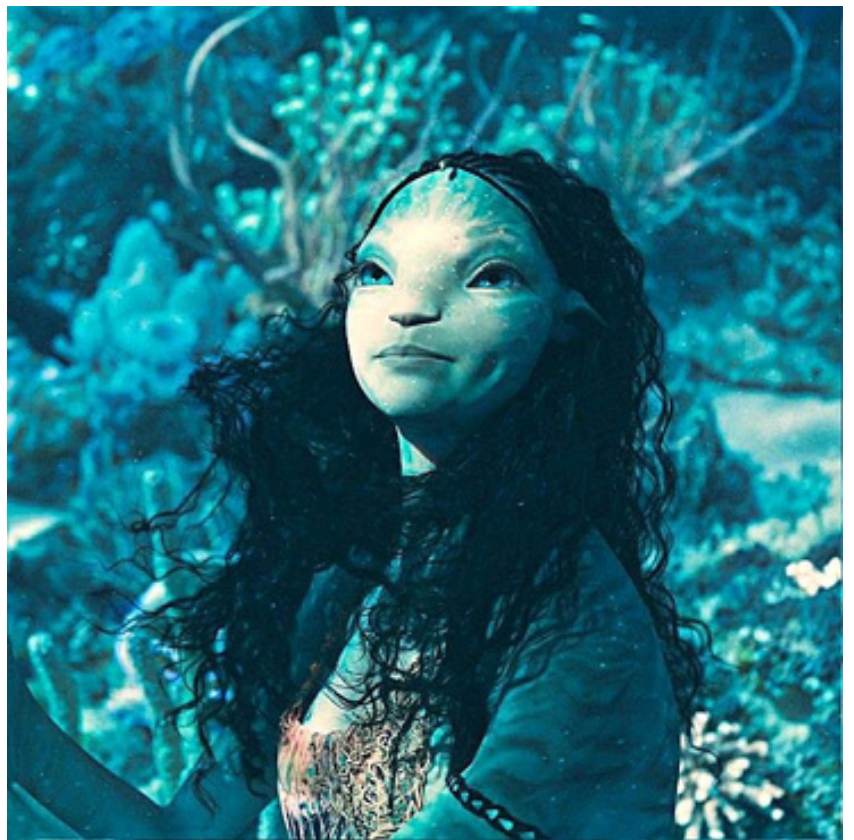

Spider is the adopted child of Jake Sully and Neytiri while being the biological son of Colonel Miles Quaritch. Spider has a close relationships with all the Sully's except for Neytiri. Spider is especially close with Kiri and they share a close bond.

Spider is powerful and agile even while being a human. He is close to combat strength to juvenile Na'vis. A setback that Spider faces is that he has to wear a mask constantly due to him being unable to breath in the air of Pandora.

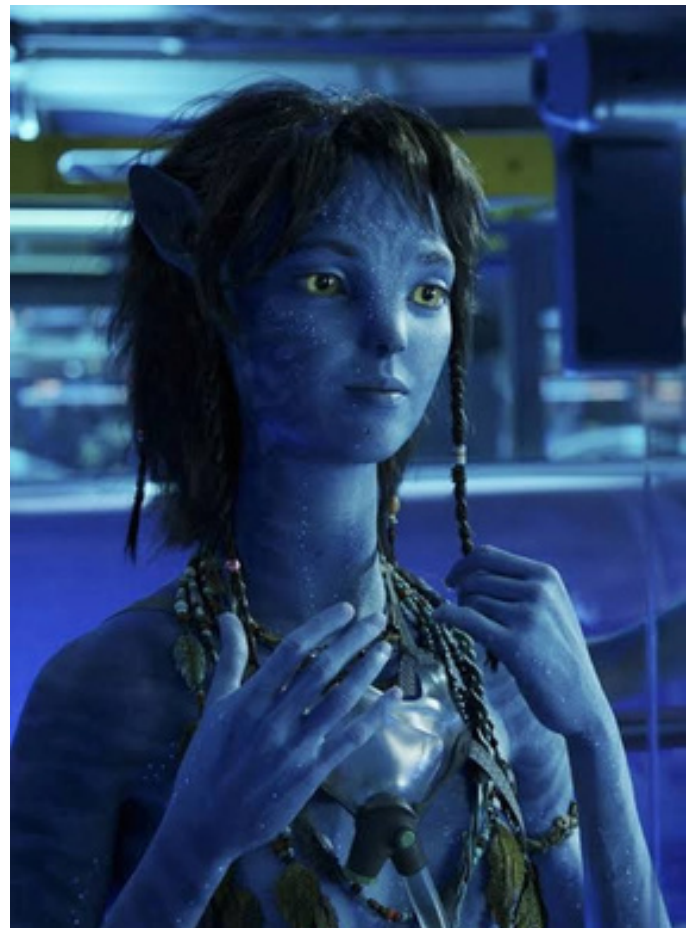

Spider has a conflict bearing relationship with his biological father both disliking him and coming to his aid if the situation calls for it. Spider is somewhat the soft spot of Colonel Miles Quaritch.

TSIREYA

Tsireya is the child of the chief of the Metkayina clan. She has 2 brothers, both of which are warriors. She is a kind-hearted and passionate individual. She has a close relationship with Lo'ak the child of Jake Sully. She defends Lo'ak when he is faced with injustice and thinks that tradition can be wrong in instances.

KIRI

Kiri is the adopted child of Jake Sully and Neytiri, she was born through parthenogenesis by the late Dr. Grace's avatar. She has 4 siblings and has a close relationship with Spider.

Kiri also has a special connection to Eywa the god of Na'vi and has a significant bond with the fauna of Pandora. She can manipulate and control the wildlife around her to an extent. This has led her to be labeled as a weirdo/freak by others and herself

NORM SPELLMAN

Norm Spellman used to be a Xenobiologist for RDA however teaming with Dr. Grace, Jake Sully and company he turns on RDA and fights for Na'vis. He still maintains his human form unlike Jake Sully and can be seen hanging around bases of the tribes and research facilities.

He had a bond with Dr. Grace before she passed away. He is important due to his extensive knowledge of the planet of Pandora and the biology in it.

His avatar form is a strong tool to him.

NETEYAM

Neteyam is the eldest biological child of Jake Sully and Neytiri. He is most likely the best warrior in the youth of the Omatikaya and Metkayina clan. He is often praised by his father Jake Sully and often leaves his brother in his shadow.

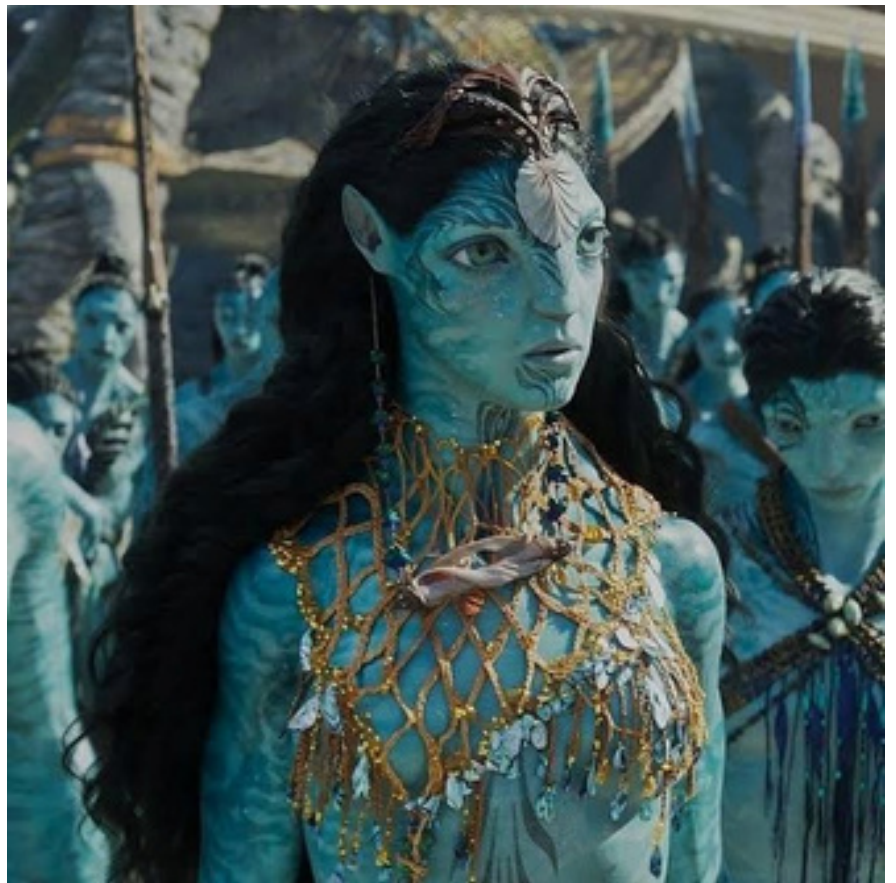

Neteyam is the role model of Lo'ak and together they assist their father on missions. Neteyam comes to his brothers aid if he needs it and he has a strong relationship with his siblings.

TONOWARI

Tonowari is the chief of the

Metkayina clan. He has 2 children Aonung and Tsireya. He is a fearsome warrior like Jake Sully. He welcomes the Sully's when they seek refuge in the Metkayina clan. He values traditions extremely, even insulting his own children when they go against it. His wife is Ronal who is also the Tshik of the Metkayina clan.

RONAL

Ronal is the Tsahik of the Metkayina clan which means she is the spiritual leader. She is the wife of Tonowari and the mother of Aonung and Tsireya. She is expecting a third child. Even though she is physically weaker than the male Na'vi in her clan and her being pregnant she puts up a good battle in war.

TUK

Tuk is the youngest child of Jake Sully and Neytiri. She does not have developed combat abilities due to her young age however combined with her sibling she can achieve things.

COLONEL MILES QUARITCH

Colonel Miles Quaritch is a Colonel that serves the RDA he is tasked with researching and exterminating and Na'vi and local fauna that stands in the RDA's way. On the way he learns that Jake Sully is a traitor to the RDA which leads him to hate and swear to kill him.

Near the end of the war between the RDA and the Omatikaya clan he is faced with Jake Sully which he defeats however shortly after is killed by Neytiri via arrows.

At the time of his death he had an infant called Spider which was left in Pandora to be raised by the Sully's. Later he is reincarnated/reborn as an avatar accompanied by some of his squadmates because their memories/consciousness was uploaded and saved to a database. In this form he continues his mission to destroy the Sully's. He has a weak spot for his biological son Spider.

PARKER SELFRIDGE

Parker Selfridge is the Corporate

Administrator of RDA's mining operations in Pandora. He is a high ranking individual in the company thus his words have a lot of power. His goals include finding unobtainium and colonising Pandora. He does not care about the Na'vi nor the indigenous fauna of Pandora. He is fuelled by capitalism.

GENERAL FRANCES ARDMORE

General Frances Ardmore is an army general which leads RDA's army forces and colonisation units in Pandora. She supports brutal military tactics and like her subordinates does not care about Pandora's natives. She is pragmatic, cold, and calculated.

LYLE WAINFLEET

Lyle Wainfleet is a soldier that serves under the RDA he was killed within close time proximity of Miles Quaritch and was also brought back to life alongside him. He is similar to Quaritch in terms of combat ability and brutality however he does not have any relatives or weak moral points like Quaritch which has Spider. He is a good marksman.

MICK SCORESBY

Mick Scoresby is a Tulkun Hunter in Pandora. He hunts Tulkuns for the essence inside of them which grants immortality and is really expensive. He has absolutely no care for the wildlife in Pandora and is a greedy

capitalist hunter. He is accompanied by marine biologist Ian Garvin.

DR. IAN GARVIN

Dr. Ian Garvin is a marine biologist which works alongside Tulkun hunters, mainly Mick Scoresby, he has a moral compass which leads him to question the ethicalness of Tulkun Hunters' actions. He can go against Mick and other Tulkun hunters in terms of ideas but nobody cares about his opinions.

PRAGER, ZDINARSIK, MANSK, WALKER, LOPEZ, FIKE

All of these individuals serve under the squad of Colonel Miles Quaritch and they are recom soldiers. They all die within close time proximity of each other and get reincarnated as avatars.
